

# COMMUNITY PARTNERSHIPS

With similar philosophies and commitment to the community, Sandusky County Board of DD partnered with Croghan Colonial Bank when they needed a financial provider that could relate to their unique needs and those of their provider agencies.

By listening to their partners and working with Croghan Colonial Bank, Sandusky County Board of DD has been able to help develop:

-  Customized Banking Solutions

-  Tools to Reduce Fraud and Theft
-  Tools to Improve Operational Efficiency

Croghan is available to meet with agencies to develop the above strategies that fit your organization.
